GET MORE BPO'S with AutoAcceptance

Missing all the hot BPO orders in your local area? Our proprietary auto-accept software works with iMacros as a virtual assistant - constantly checking your BPO vendors for new orders and accepting them on your behalf.

We currently have 25 different BPO vendors that our software works with to capture orders. No longer do you need to spend hours each day trying to capture orders manually. Let our software do it for you!

Easy self-installation and setup includes the BPOA AutoAcceptor, iMacros Player (included), and full licensing for 5 auto-accept tasks of your choice.

- ✓ Works /w Top National Vendors
