The screenshot displays the BPO Automation Suite Xtreme software interface. It features a menu bar (File, Edit, Help) and a toolbar with icons for Open, Save, Close, and Run All. The main window is divided into three sections:

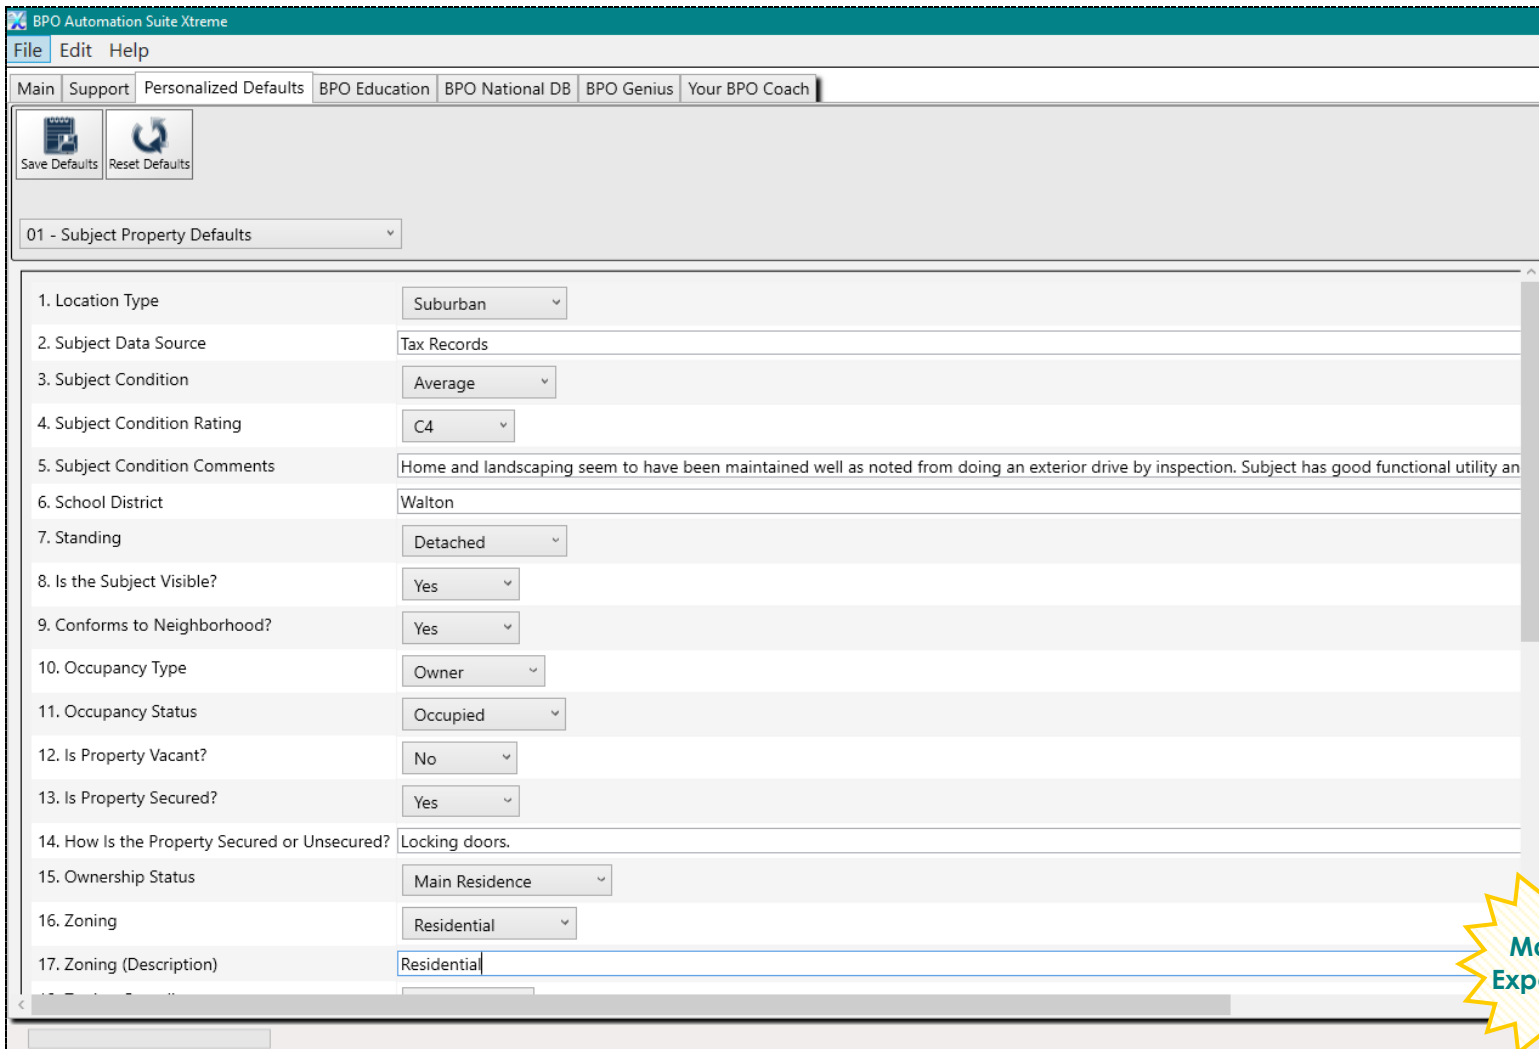

- Sold Comps:** A table with columns for Status, Assessors Parcel Number, Multiple Listing Number, MLS Area, Subdivision, Legal Description, and Directions. It contains three rows of data.
- List Comps:** A table with columns for Status, Assessors Parcel Number, Multiple Listing Number, MLS Area, Subdivision, Legal Description, Directions, School District, Property Type, and County. It contains three rows of data.
- Subject Property:** A table with columns for Status, Assessors Parcel Number, Multiple Listing Number, MLS Area, Subdivision, Legal Description, Directions, School District, Property Type, County, and Listing ID. It contains one row of data.

Buttons for 'Add a Sold Comp', 'Delete Selected', 'Add a List Comp', and 'Delete Selected' are visible next to their respective tables. A 'Wow!' starburst graphic is overlaid on the bottom right of the screenshot.

The **BPO Automation Suite Xtreme™** maximizes your speed, productivity, and accuracy by automatically filling in BPO forms with your sold, list, and subject comp data, and features a new look & feel along with a unique 100-point quality-assurance algorithm to correct common data errors.

The integrated **SyncTool** gives you on-demand access to over 55+ Xtreme macros for over 40+ top BPO, REO and Asset Management companies, along with instant 24x7 access to new and updated forms as they arrive.

AutoFill works on most Online-Based forms! The BPO Automation Suite Pro supports add-on functionality to export your data into a number of specialized industry formats. Do you have a unique BPO format that you need automated? Ask our [sales professionals](#) to help you find the perfect solution!
