

AutoAccept

BPO & APPRAISAL ORDER ACCEPTANCE

We've made our clients millions in captured BPO & Appraisal Orders, and now we're raising the bar with the all-new Order Central platform. It works as a virtual assistant – constantly checking your accounts for new orders and accepting them on your behalf.

Order Central is built around the concepts of stability, reliability, and effectiveness – simply download it to your local PC, and it runs in the background, saving you time & growing your business.

Self-installation and setup lets you get up & running in minutes with a wide array of innovative new features.

Order Central can now be purchased as a one-time fee of \$499, plus a 5% per order fee OR you can pay a subscription fee (without a contract) of \$49/month, plus the 5% per order fee instead.

Terms & Conditions

Terms & Conditions

User self-training will be conducted through BPOA Members Site, plus an additional 30 minutes of MLS custom-export setup.

AutoFill form-completion packages include access to all sync-macros, which typically complete up to 50 - 75% of BPO form data.

Free basic-level support package is valid from date of purchase for one full year. We offer a service-level of next business-day email response. BPO Automation group will be the sole determinant of whether support requests merit free support services, to be billed at a rate not exceeding \$59.00/issue.

BPOA software tool updates, plus new and updated BPO & REO provider forms and vendors are provided as they are acquired, free of charge. Clients will receive technical support, access to training materials and product updates for a 12-month period from the date of purchase, after which they can choose voluntarily to renew for an annual fee of \$99.

If for any reason you are not completely satisfied with any BPO Automation Group products, a full refund will be provided within 30-days of the date of install.

The BPO Automation Group LLC reserves the right to make modifications to these terms and conditions at any time.

Privacy & Confidentiality Statement
